School Supply List
 2020-2021
GRADE 6

List of items to purchase at the store of your choosing. We encourage you to reuse what is still good from the previous school year. **Please ensure to label every item with your child's name.** Note that you may be asked to replace some items during the school year, as needed. Students are expected to come to school with all school supplies, the first day of school.

Student Supervision Fees for the 2020-2021 school year are 150\$ per student. Students attending regular daycare (3-5 days/week) for the entire school year are exempt from paying student supervision fees. If your child is confirmed as registered and attending regular daycare from their first day of school until the last day of school and this charge appears, please see the school administration.

*Please note that depending on the structure of the return to school in the fall, agendas may or may not be ordered. If a different tool of communication is put in place, you will not be charged for an agenda.
